What Color Are You in a Box of Crayola Crayons?

S (Grade 9-10), A (Grade 11-12)

This introductory leadership program will explore the similarities and differences between each other as leaders, using the colors found in a box of Crayola crayons. We’ll not only talk about characteristics you think important to leaders, but your admired leaders, and if they were to choose a color, what color they would be. We’ll also put those colors to use in a fun group project!
