HONORS VARIANT REGISTRATION &
CONTRACT FOR HONORS CREDIT

This form should be completed, signed by the course instructor and the student, and then returned to the Registrar's Office before the deadline to add a class for the semester.

Honors variants provide students the opportunity to study material more intensively and to demonstrate a deeper understanding of the course material. The terms of the variant are to be decided by the instructor, and may be done in consultation with the student. Students must earn a grade of B, or better, in the course in order to receive Honors credit.
