If a week in Switzerland and Italy isn’t your pace, perhaps take your trip with self-additions and extensions through the assistance of AHI’s expert travel professionals.

This program is based in cosmopolitan St. Moritz and charming Como cannot be beat for its itinerary and value. It would be impossible for an individual program to offer the same level of access and discovery! So if you have that in them, we urge you to pursue your own interests. They will also help you tailor the inclusions and services at a comparable price. This trip is purely based in cosmopolitan St. Moritz and charming Como cannot be beat for its itinerary and value. In a country where you might not have pre-arranged your flights, we have included all domestic and foreign governmental air transport and from any and applicable domestic, international and European air transport. AHI included transfers will also remove 20% Domestic Flight Insurance, subject to policy terms.
