2009-2010 Sweet Briar Days and Presidential Visits-A Success!

This December 2009 and January 2010, alumnae, current students, prospective students and their guests gathered together to celebrate in the name of Sweet Briar College. Alumnae Clubs across the country hosted Sweet Briar Day events and others organized a Presidential event with a visit from our president Jo Ellen Parker.

The heavy winter snow did not deter our devoted alumnae from coming out to support these special events. A special thank you to all Alumnae Admissions Representatives who were able to attend.

Alumnae Club events are an excellent time to recruit prospective students and talk with them about your fond memories while at Sweet Briar. These events also present an opportunity to recruit alumnae to become AAR volunteers. If you know of alumnae in the following areas: FL; MD; NC; PA; SC; WV; Seattle, WA; Portland, OR; Los Angeles, CA who you think may be interested in being an AAR, please send their name on to ncarr@sbc.edu.

Alumnae, prospective students and their parents gathered at restaurants and homes of alumnae in Texas to meet with our President Jo Ellen Parker. These events gave prospective students an intimate setting to ask questions and learn more about Sweet Briar.

Sweet Briar had a wonderful showing of prospective students at each event.

Dallas, TX: 3 prospective students
Fort Worth, TX: 2 prospective students
San Antonio, TX: 1 prospective student
Austin, TX: 5 prospective students
Houston, TX: 3 prospective students

If you are a Texas alumna and attended one of these events, thank you for your support! It is so important that alumnae attend these events so they can greet prospective students and share their favorite memories with them of their time at Sweet Briar!
