Welcome to Reunion 2010!
All Paths Lead to Sweet Briar...
Welcome Home!

Sweet Briar College  May 21, 22, 23

The Alumnae Association welcomes you and hopes you will enjoy the fun and informative weekend we have planned. Please review the schedule inside as event times and locations have been updated.
What to know and where to go!

Please read the following information and schedule of events; the reunion program has been updated!

Parking
Regular and handicap parking is available in areas in front of Manson, in front of Guion, below Meta Glass, in Fletcher parking lot and in Elijah parking lot. Please move your car to one of these parking areas after unloading your belongings in the residence hall.

The Florence Elston Inn Information Center
The Florence Elston Inn Information Center is located in the new addition to the Florence Elston Inn. Registration will move from the lobby in the Babcock Fine Arts Center to the Gate House at 9 p.m. on Friday. Messages for alumnae may be delivered through the Information Center, Ext. 6100.

Boxwood Alumnae House
Boxwood Alumnae House will be open Friday and Saturday from 8:30 a.m. to 5 p.m. and Sunday 8:30 a.m. to 2 p.m., and can be reached at Ext. 6131.

Department of Safety
Department of Safety is located in the lower level of Fletcher; the entrance is at the back of the building, adjacent to Fletcher parking lot. Department of Safety can be reached on campus at Ext. 6144 or off campus at 434-381-6144.

Residence Halls
Residence halls are not locked during the weekend; please keep your valuables locked in your vehicle. Be sure to take the latch off your bedroom door as you leave to prevent it from locking. If you are locked out of your room, call Department of Safety for assistance. Residence halls will close at 2 p.m. on Sunday.

Vending and Ice
Vending machines are located in the lower levels of Reid, Dew and Fletcher, and soda machines are also located in Manson, Randolph, Reid, Dew and Grammer. Ice will be available during the weekend in the Class Hospitality Rooms; ice machines on campus are in Randolph basement, Manson kitchen and the third floor of Dew.

Nighttime Needs
If you need assistance during the evenings of your stay, please call the Department of Safety at Ext. 6144.

Men’s Restrooms
Men’s restrooms will be designated in each of the dorms; we request that men staying in the dorms use these designated restrooms.

Meals
Your nametag is your meal ticket. Please wear it at all meal times.

Van Service
Van service to the airport is available on Sunday for those who requested it on their registration form. The van will pick you up in the Quad in front of the Bell Tower one and a half hours before your flight time. Please be on time! The schedule of departures is in your packet.

Class Hospitality Rooms and Photos
Locations for each Class Hospitality Room are listed in your packet; class scrapbooks and yearbooks will be on exhibit there. Class Photos will be taken on Friday and Saturday (see schedule on inside back cover for details). PLEASE BE PROMPT FOR YOUR PHOTO! Photos of class officers will be taken immediately after the group photo.
Schedule of Events
May 21, 22, 23, 2010

Friday, May 21

10-11 a.m. Service of Remembrance, Memorial Chapel
The Reverend Adam White; Dean Jonathan Green, choir director; Dr. Rebecca McCord, organist

11 a.m.-1 p.m. Farewell Luncheon and Open House
Sweet Briar House, Gardens (Rain location: Prothro Dining Room)
The house will be open for guided tours led by Pat Trout
What's New!

Construction, Renovation and Historic Restoration Projects on Campus

The Green Village
Completed in August 2009, the approximately $3.5 million complex is the first construction of student housing in more than 50 years. The five, three-unit buildings house 60 students in fully-furnished apartments with two apartment units designed for handicapped residents. The “green” features, which give the Village its name, include Structural Insulated Panels (SIP’s) that are 40- to 50-percent more efficient than stick-built buildings, Energy Star appliances, low-flow showers and toilets, maximum insulation and high R-value windows. Additionally, the metal Energy Star-rated roofs are able to accommodate photovoltaic solar electric panels.

During the summer these apartments provide additional lodging for conference attendees at the Elston Inn & Conference Center allowing for larger groups and thus generating more revenue for the College.

Fitness and Athletics Center
In November 2009, Sweet Briar opened a new 53,000-square-foot fitness and athletics center addition to the existing Williams Gymnasium. The $10.5 million new center features a multipurpose space that includes three indoor tennis/volleyball/basketball courts and space to host large campus events, an indoor suspended running track, common student gathering space (with couches, pool and ping-pong tables, a fireplace and a large-screen TV), a movie theater, squash and racquetball courts, new office space for the varsity athletic coaches and additional classroom and locker room space. Construction of the building incorporated green features including a geothermal heating and cooling system and the metal Energy Star-rated roof that will be able to accommodate photovoltaic solar electric panels.

Updates in 2006-2007 to the Williams Gymnasium, now part of the Fitness and Athletics Center, include: enlarged cardiovascular fitness and weight rooms; air conditioning installed; and new treadmills, elliptical machines, assisted lifting machines and free weights. Locker room improvements include a general-use space and four team rooms, and new lockers, showers and restrooms.

Admissions
Improvements include new office furniture, reconfiguration of office space to be more functional, and new carpeting.

Boathouse
The boathouse bathrooms were upgraded in 2006 and a new deck was built in 2007.

Parking
New parking spaces were created behind Meta Glass Residence Hall, as well as in front of the Green Village.

Babcock Fine Arts Center
In 2006 studio arts classrooms were moved to the Studio Arts Barn and Babcock was renovated to create office and studio space for the dance department, including adjoining showers and rehearsal space.

Mary Helen Cochran Library
Early in 2007, cosmetic upgrades and repairs were completed including new carpet, painting, refurbishing the tables and replacing the chairs in the main library. Hardwood flooring was installed in the Browsing Room.

The Florence Elston Inn & Conference Center
The inn rooms were refurbished and new carpet was installed in the conference center in 2006.

Studio Arts Barn
Completed in April 2006, Sweet Briar’s historic dairy barn was re-configured and now houses faculty offices and four large studios for painting, drawing, printmaking and photography.

Softball Field
The field was completed in March 2006, just in time for the first pitch of Sweet Briar’s inaugural Old Dominion Athletic Conference game.

Tennis Courts
In October 2005, the tennis courts were resurfaced and the retaining wall between courts four and five was remodeled. In spring 2006 construction was completed on three additional lower courts.

Sweet Briar House and Gardens
Made possible with funds from the Garden Club of Virginia’s annual Historic Garden Week tours, a new entrance walk to the front door of the house from a newly designed parking area graces the front garden.

Harriet Howell Rogers Riding Center
Boarding capacity for horses was increased from 63 to 86 stalls. Many generous gifts have allowed an increase in the facility's fenced turnout area, with 42 additional acres of paddocks and larger fields. A roof has been placed over the lunging pen and covered racks are now in place for the East and West wings of the main stable complex. One of the most exciting additions is a new truck and six-horse trailer that has allowed for more travel to competitive events.

The Florence Elston Inn & Conference Center
The late Gordon Beemer, husband of the late Florence Woelfel Elston Beemer ’21, made it possible for the College to add rooms to the existing inn and transform the existing Wailes Student Center into a state-of-the-art conference center.

Nature Center
The old water plant, built in the early 1900s, is now the Nature Center providing the Sweet Briar and Amherst communities an opportunity to learn about the beauty, trails and natural history of Sweet Briar College and the Central Virginia area. This $120,000 project was graciously supported by alumnae Mollie Johnson Nelson ’64, Anne Stuckle Houston ’46 and The Beirne Carter Foundation.
Class Photos

Class Photos will be taken on Friday, May 21 or Saturday, May 22. Rain location for photos being taken Saturday will be in the Chapel.

Class and candid photos taken throughout Reunion Weekend will be available for online purchase at the following address: halfpress.com/reunion2010

Photos are available in all common sizes ranging from wallet through poster size as well as specialty items including gift cards and mugs. Finishes include matte, glossy, lustre and metallic. Photos can be purchased individually or in specially packaged sets of common sizes with prices starting at $3.75 per photo.

All photos are individually processed by the photographer at the time of your order to accommodate proper cropping and color adjustments. They are printed in a professional lab and carefully packaged for shipping via your choice of USPS First Class, Priority or FedEx Second Day or Overnight.
The Sweet Briar plates were originally produced in earthenware by the Royal Cauldon Company. Royal Cauldon was bought by Wedgwood, which stopped producing earthenware to begin working in bone china. Imported from England, the plates were distributed through Jones McDuffie and Stratton Corporation until discontinued.

Today, Lenox has redesigned the pattern by hand and modeled a beautiful fine bone china plate for Sweet Briar.

Attributes: Lead-free, dishwasher/microwave-safe
Color: Green
Cost: $30 each or four for $100

Save-the-Date!
Be sure to mark your calendars for these great dates to return to campus:

- Homecoming 2010: September 24-25, 2010
